## CRIME ASSIST

### 24-hour support in the case of a hijacking, theft or break-in at your home

Ready assistance includes a replacement cell phone with R200 airtime, post-crime trauma counselling for you and your loved ones, and hotel stays for up to 4 consecutive nights, or a temporary security guard outside your home, while your property is being secured.

## ACCESS TO EMERGENCY MEDICAL SERVICES\*

### Practical advice and access to around-the-clock medical services

A team is on hand, anytime day or night, to give medical information and advice; and arrange medical practitioners or services as needed. Excludes medical expenses incurred.

## HOME SAFE CHAUFFEUR\*

### Keeping you safe on South Africa's roads

Insurance doesn't pay a claim if you're under the influence of alcohol and are involved in an accident, whether the accident was your fault or not, so when you've had one too many, simply log onto your SuperValue app, and call our PDP-qualified drivers who are dispatched in pairs and will chauffeur you home in your own car.

## LICENSE RENEWAL REMINDERS

### Ensuring your license is always up-to-date

Did you know that insurers might not pay claims if you and/or your vehicle are not correctly licensed? Now you can avoid this risk, as well as any penalties. SuperValue sends you a reminder to renew your licenses 90 days before they expire.

## ACCIDENT ASSIST

24

### React and claim right with a digital guide on your SuperValue App

What to do at the scene of an accident? Simply follow the digital guide and get the right information from other parties, including witnesses. All your Information will be securely stored on your SuperValue App and can be easily accessed when lodging a claim. Plus the app is on hand to help you call emergency services, if required.

## CRISIS CALL CENTRE

### Experienced crisis managers in emergencies

This breakthrough support means you never need to search for numbers in a panic situation. Nominate a key on your phone as a panic button – when pressed, we call you back, and give you expert help with:

- Directions to a destination
- Contacting an ambulance
- Contacting the police

## PERSONAL WILL

### Protecting your precious possessions

Insurance protects your assets but, if you don't have a will, your family might not know what you wished, and your assets could be tied up in legal processes for years. A will solves a range of problems for a deceased person's loved ones. Get a free consultation and drafting of a will that gives you and your family complete peace-of-mind.

\*EMS is an access and advice only service, only valid within the borders of South Africa. Excludes medical expenses incurred.

\*Home Safe Chauffeur is limited to a total of 3 trips per year to the value of R400. Any additional costs are for the client's account.

## FAMILY FIRST

We know that your family is important to you, so you can add up to 4 members to SuperValue, at no additional cost. Each user then gets access to the SuperValue app with all the benefits like Accident Assist, Intelligent Panic, Home Safe Chauffeur\*, chat features and more.

*\*Limited to an overall usage of three trips per year for all your users.*
